To enter:

Please email your request to enter the Christmas Decoration Competition and your photos / videos to Kellie Tyson by email kellie.tyson@wh.org.au

*Upon entering this competition, you agree to abide by the rules as indicated on this entry notification.

Rules:

- Please do not place yourself or others at risk when hanging decorations.
- Decorations or items used for the fixation of decorations must not cause any damage to hospital buildings or property. It is recommended that Blu-tac or items from the 3M Command Adhesive range (or similar products) be used to fixate decorations.
- Upon completion of the Christmas season all decorations and fixations must be completely removed.
- Emergency equipment must be kept free of decoration, fire doors, fire detectors, fire / smoke detectors, fire hoses etc. Decorations must not be placed in front, beside or over any air scrubbers, air inlets and outlets.
- Decorations must be kept away from high-risk areas within the zones, including donning and doffing areas.
- For COVID streaming zones, decorations should be cleanable and a 'less is more' approach within a single area of the department is encouraged.
- To avoid any fire hazards and power overloading wards are not to include decorations which require a power source (this unfortunately includes lights).
- Judges decision is final. No correspondence will be entered into.
- Please be kind to the environment and consider the materials used for your decorations.
