

# ADVANCING FRONTLINE LEADERSHIP

## Nominations 2024

### NOMINATIONS FOR 2024 NOW OPEN

Advancing Frontline Leadership for Associate Nurse and Midwife Unit Managers is a high calibre development program specially designed for the AUM group. It has been designed to meet the emerging and future needs of this key group of Western Health leaders. Expand your leadership skills and play a major part in the future of Western Health.

The five-day non-consecutive program covers the following:

Day One LAUNCH	Day Two LEADING SELF AND OTHERS	Day Three SURVIVE AND THRIVE	Day Four GROW AND EXPAND	Day Five EXCEL AS AN AUM
Future for Western Health & its workforce	Your MBTI style	Team development	Resolving conflict	Critical thinking for long term solutions
AUM role & Best Care	Transition to leadership & challenges	Mastering challenging conversations	Communicating effectively	Innovation
A day across WH	The adaptive & emotionally intelligent leader	Managing budgets and time	Enhancing clinical practice	Relationship building
Your learning	Role modelling	Managing risk	Using influence	Resilience in the workplace
Presented by Western Health	Presented by PTN & Internal facilitators	Presented by PTN & Internal facilitators	Presented by PTN & Internal facilitators	Presented by PTN & Internal facilitators
