# YOUR CHANCE TO ADD TO YOUR PASSPORT

**Across the month of July, we are calling on our Fitness Passport community to take part in our Annual Survey.**

We want to find out what you're most enjoying and what we need to improve on. We also want to hear which other facilities you'd like added to our network! Non-members are also encouraged to contribute, everyone's feedback is important to us.

## How to have your say

It should only take around three minutes. [Click HERE](#), or scan below
