

## ADVISORY BOARD

### **SHARK TANK is returning to WH for 2023!! A leadership experience: from concept to funding**

Do you have an idea to improve an element of Best Care? An idea that directly improves efficiencies and aligns with quality improvements and or WH strategy?

Be supported through a learning process that takes you from an idea to business case. The program is an opportunity for you to improve an element of care, either through clinical practice or through support services.

The Shark Tank program comprises six workshops and at completion, participants will have the opportunity to pitch their idea to an expert panel including the CEO. Up to \$50,000 will be awarded to the successful participant to support their project and best care.

#### **About the Shark Tank Experience:**

The Shark Tank experience is a collaborative programme between Western Health and Advisory Board. Advisory Board will deliver rich leadership development experiences that elevate and shift leadership attitudes, skills, and behaviors most critical for success on the journey to develop and showcase your innovation. The programme relies heavily on interactive learning techniques including a dynamic mix of facilitated discussions, case studies, simulations, multimedia, application exercises self-evaluations, and role-play. Example themes included in the programme include:

- Not settling for “good enough” and becoming comfortable with appropriate risk-taking
- Engaging with stakeholders
- Shifting perspective and noticing with greater awareness
- Innovating thinking
- Maximising key process metrics
- Self-advocacy
- Managing and engaging others in change
- Communicating with cognitive preference in mind
