

SUNSHINE PHARMACY OUTPATIENT SERVICE IS RETURNING

From 4 December 2023, Pharmacy Outpatient services return to the refurbished pharmacy in Sunshine Hospital.

Women's and Children's pharmacy services will continue from the Joan Kirner Women's and Children's Pharmacy.

If you need assistance finding the main pharmacy, please ask pharmacy staff or a volunteer guide wearing a blue vest at the main entrance of Sunshine Hospital or in the foyer of Joan Kirner Women's and Children's.
